## 4.2 Entirety of the Agreement

The terms and conditions of this Agreement, including all terms incorporated by reference, shall supersede all prior oral and written agreements between the Parties with respect to the subject

matter of this Agreement and shall constitute the entire Agreement between the Parties with respect to its subject matter. If the Parties have entered into Standard Contractual Clauses related to the transfer and processing of personal data, such clauses shall be an integral part of the agreement as well.

In the event of a conflict between this Subscriber Agreement and the Privacy Policy, Dispute Procedures, or Terms and Conditions of Use, this Subscriber Agreement shall govern.

### 4.3 Agreement Modifications

To account for the evolution of Local Contexts and its sustainability and to operate in compliance with the laws in multiple jurisdictions, Local Contexts reserves the right to modify this Agreement, provided that (i) no such modification will be retroactive; and (ii) Local Contexts will provide Subscriber with 60 days' advance written notice of any such modifications. Continued acceptance of the terms and conditions of this Agreement is a condition of the Subscriber Benefits and the Subscribers granted hereunder. If Subscriber objects to any such modifications, Subscriber may terminate this Agreement (effective as of the effective date of such modifications) by providing written notice to Local Contexts prior to the effective date. Except as set forth in this Section 9.2, and elsewhere herein (e.g., the Privacy Policy, the Local Contexts Dispute Procedures, increases in the Subscriber Benefits, and updates to contact information), all amendments to this Agreement must be made in writing and signed by both Parties.

### 4.4 Agreement Notices

All notices required or given pursuant to this Agreement or Local Contexts's bylaws shall be in writing in English and shall be effective if sent as follows: (i) by internationally recognized courier (e.g., FedEx, DHL), or (ii) by electronic notice. Notice shall be deemed given and received on the next business day following the scheduled delivery date for courier and the next business day following the date sent for electronic mail. Notice shall be addressed and delivered to the Main Contact set forth in the Local Contexts Subscriber Summary, which Subscriber shall keep up to date. Either Party may from time to time change the name and contact information of the Main Contact by notice to the other Party.

### 4.5 Disputes/Governing Law

(i) This Agreement shall be interpreted under and governed by the laws of the Navajo Nation, excluding any laws that might direct the application of the laws of another jurisdiction.

(ii) Except for disputes described in the Terms and Conditions of Use which shall be governed by the Local Contexts Dispute Procedures, if the Parties cannot resolve disputes arising out of or relating to this Agreement in an amicable manner, they shall do so through a desk arbitration administered by the American Arbitration Association in the case of domestic disputes and the International Centre for Dispute Resolution of the American Arbitration Association in the case of international disputes (either, the "AAA") governed by its applicable rules, as modified by the

following: (i) regardless of the controversy, the matter shall be determined by one arbitrator familiar with the information technology sector based upon written submissions in English and one or more telephonic hearings in English (as determined by the arbitrator); (ii) the Parties shall submit documents pertaining to the arbitration consistent with AAA rules and as directed by the arbitrator; and (iii) the arbitrator shall render a final binding decision 14 days after the arbitrator declares the hearing closed. The Parties agree that a judgment on the award rendered by the arbitrator may be entered in any court having competent jurisdiction thereof. Notwithstanding the foregoing, either Party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or may, without waiving any remedy under this Agreement, seek from any court of competent jurisdiction in Navajo Nation or United States (and the Parties consent to such jurisdiction) injunctive or any other type of equitable relief that is necessary to protect the rights or property of that Party, pending arbitration or final determination of the merits of the controversy via arbitration. Subscriber acknowledges that unauthorized use of the Local Contexts Hub or APIs would cause Local Contexts irreparable harm.

(iii) The Parties expressly exclude, if applicable, the application of the United Nations Convention on Contracts for the International Sale of Goods.

#### 4.6 Limitation on Assignment

Except as expressly set forth in this Agreement, neither Party may assign, subcontract, or sublicense (collectively, “transfer”) its rights and obligations under this Agreement in whole or in part, without the prior written consent of the other party, which shall not be unreasonably withheld, and any delegation or transfer to the contrary shall be null and void; provided, however, that such transfer (including, without limitation, a transfer by Local Contexts of the Local Contexts Hub) in the event of a merger, dissolution, or other corporate restructuring shall be permissible without prior consent, provided that (a) the transferee agrees to be bound by the terms of this Agreement, (b) written notice is provided to the other Party, and (c) in the case of transfer by Local Contexts, such transferee is a non-profit entity capable of fulfilling Local Contexts’s obligations hereunder and is consistent with Local Contexts’s obligations under its Privacy Policy.

#### 4.7 No Agency, Joint Venture or Partnership

Nothing contained herein shall be deemed to create an agency, joint venture, or partnership relationship between the Parties.

#### 4.8 No Third Party Beneficiaries

This Agreement has been executed for the sole benefit of the Parties that are signatories to the Local Contexts Subscriber Summary and is not intended for the benefit of any third party, regardless of any laws to the contrary.

## 4.9 Waiver or Invalidity of any Provision

Waiver of any provision herein shall not be deemed to be a waiver of any other provision herein, nor shall waiver of any breach of this Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Agreement. If any provision(s) of this Agreement is/are held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

## 4.10 Force Majeure

No Party shall be in breach of this Agreement to the extent a failure to perform an obligation hereunder results from a condition(s) that is beyond the Party's reasonable control, including, but not limited to, strikes, labor disputes, terrorist acts, or governmental requirements.

## 4.11 Ethical Behavior

Each Party represents and warrants that it has not and shall not, nor to its knowledge has or will any person acting on its behalf, act in violation of applicable anti-bribery and -corruption laws in effect in its jurisdiction(s) of operation or its own internal policies related to such matters. Notwithstanding any other provision of this Agreement, any breach by either Party of this Section 9.10 may be regarded by the other Party as incapable of remedy and permitting the nonbreaching Party, without prejudice to its other rights and remedies, to terminate this Agreement immediately upon notice.

## 4.12 Drafting

This Agreement shall not be construed or interpreted against either Party as the drafter.

## 4.13 Government Subscribers

If Subscriber is a government entity, then (i) Section 4.5(i)-(ii) of this Agreement shall be inapplicable and (ii) the Local Contexts [Terms and Conditions of Use](#) are hereby amended to exclude Section 10 ("Jurisdiction").
